A childhood lost, but not forgotten, is now slowly being restored;

B B/A# B/G# B/F# E F#sus F#
little by little, and day by day, as a gift to you from the Lord.

That which was missed, that which was denied,
 G#m G#m/F# E
 that which was simply ignored

is being built back into your life

C#m7 B/D# E F#m F# B
by the Author and Perfecter . . . of your faith.

 E F# G#m E
It's a Father's blessing that releases His children to be themselves;

F# E B/D# F#sus F#
creating a place of freedom, of destiny and hope.

 E F# G#m /F#
It's a Father's blessing being released over you today,

 E B/D# E B/D#
 "You are precious. You are chosen,

E F#sus B
and know this My child --- Daddy loves you."

 E F#
Daddy loves you --- more than you will know.

 E/G# F#/A#
Daddy loves you --- sometimes more than He can show.

 E F#
Embrace this truth deep in your heart,
 E/G# - F#sus - F#
and never let it go.
