Hope Springs Eternal

David Danielson

E2 B/D# A/C# E2/B
Hope springs eternal in the midst of the storm.
A2 E/G# A/F# Bsus B E2 B2
Against all hope, hope is born . . . in my heart, Lord Jesus,
A2 C#m
for I put my trust in You;
A2 E2/G# Bsus B E2
and I will not, will not turn away . . . from You.

B2 A2 B2
Though the waves rise up around me,
E2 /D# C#m
I fix my eyes on You;
A2 E2/G# A2 Bsus B
and I walk on the water . . . like You told me to.
E2 B2/D# C#m E2/B
And I walk on in faith because You promised me
A2 E2
that Your path leads through the water ---
/F# /G# A2 Bsus B E2
though Your footprints are not seen.
